4) The rule that an officer directly recruited may be confirmed before he passes Civil Exam^n, and that he should not however be given increment until he passes Civil, cannot apply to the case of officers promoted to the grade of Asst. Comrs. from the Amildari. In regard to these latter class of officers, Govt. have been observing the practice that only officers fully qualified by passing Civil also, are usually selected for promotion as acting Asst. Comrs. In a few cases, selections have been made subject to the officer passing the Civil Exam^n before he could aspire for S.P.L or "P" permanent tenure. Whenever a question of Confirmation arises, either the passing of Civil Exam^n is insisted upon, or special exemption given in view of advanced age of the officer etc. The difficulty referred to by the Comptroller arises only in respect of directly recruited officers in which case

CHIEF SECRETARY'S OFFICE 3 NOV. 1933

Sir,

In inviting reference to Government Order No.757-867/C.B.210-23-1 dated 22-9-24 issuing revised rules regarding the Mysore Civil Service and creating a Non-Civil Service Cadre of Gazetted appointments for certain Departments, I have the honor to state that in para 23 of the order it is laid down that every Assistant Commissioner directly recruited to the Civil Service is required to pass certain examinations before confirmation and again the Civil (Parts I and II) Examination before he is given his first increment. No such restriction is expressly imposed in the case of officers promoted from subordinate ranks as Non-Civil Service Gazetted Officers in whose case fairly long periods of Officiating service intervene between the dates of appointment and confirmation.

Under Govt Order No.3617-67/C.B.145-27-1 dated 13-12-27 sanctioning the amalgamation of the Non-Civil Service cadre of the Revenue Department with the Civil Service cadre, the distinction between the two classes of officers has been removed and all of them have been treated as belonging to one cadre. According to this order all the officers have to pass the Civil (Parts I and II) examination but how ~~the~~ failure to pass this examination affects the confirmation or increments of officers who were previously classed as Non-Civil Service Officers is not stated. In the case of officers promoted from subordinate ranks as acting Assistant Commissioners, acting allowances

calculated on the appropriate stage of the time-scale have all along been allowed under the ordinary provisions of the Mysore Service Regulations in the absence of orders to the contrary. In actual practice a distinction is thus still existing in the matter of regulating increments although the Government Order of 13-12-1927 does away with all distinction. It therefore seems to be desirable to specify clearly whether the restrictions in respect of increments which are applicable to directly recruited officers in the cadre should not also be extended to officers promoted from the subordinate ranks. I submit this point for the orders of Government.

Sir,
Your most obedient servant,

M. Venkatesaliengar

Sir,

In continuation of this office letter No.150/GAD dated 31st October 1933 in the matter of allowing increments to officers promoted from subordinate ranks as Assistant Commissioners when they have not passed the Civil (Parts I and II) Examination or have not been specially exempted from passing that examination, I have the honor to note below the names of officers who were promoted from subordinate ranks as acting Assistant Commissioners and were subsequently confirmed as Assistant Commissioners. This office has no information whether any or all of them have been exempted from passing the Civil Examination. Annual increments have however been authorised to all of them hitherto. Increments are due in the case of Messrs. S. Abdul Khalak and S. Kuppuswami Iyer during this month. I request that you will be so good as to obtain orders of Government confirming the existing practice of allowing increments in the case of these officers, so that their future increments may also be authorised in the usual course. Till orders of Government are received in this respect, future increments due to these officers will not be authorised.

Sir,

With reference to your letter No.150/GAD. dated the 1st November 1933, I am directed to state that para 3 of Government Order No. 757-67/C.B. 210-23-1 dated the 22nd September 1924, requiring that an Assistant Commissioner directly recruited to the Civil Service should pass the Civil Examination before he is given his first increment, is not applicable in the case of officers promoted to the grade of Assistant Commissioner from the subordinate ranks. ~~In the case of the latter class of officers,~~ The selection of an officer for promotion as Asst. Comm^r is made by Government after a consideration of the qualifications of each candidate and in cases where an officer who has not passed the Civil Examination is appointed to act as Assistant Commissioner, the passing of the Examination before confirmation is insisted upon or special exemption granted by Govt. In the case of these officers, the Audit Office is not required to satisfy themselves whether they have passed the Civil Exn. or not and such increments as may, in the ordinary course, accrue to them in the grade of Assistant Commissioners, acting or permanent, may be permitted to be drawn by them in the absence of specific orders to the contrary.

I have etc.
